BE SURE TO VOTE

A MAYOR AND TWO COUN.. TO BE ELECTED TOMORROW

SCHOOL LEVY IMPORTANT

Two Thirds Majority Is Required for the Colored School Building—Interest in Superintendent Race.

The Polling Places.

First Ward—City Hall.
Second Ward—Sewell's Garage.
Third Ward—Gray's Pavillion.
Fourth Ward—Sheomaker's Office.

Tomorrow is election day in Maryville when the voters will vote on candidates for mayor and two councilmen, two members of school board, the regular school levy of 60 cents and a building levy of 25 cents, and for county superintendent of schools.

The polls will open at 6 o'clock and will close at sunset which is about 7:30 o'clock.

As there is no opposition to W. O. Garrett for mayor and G. B. Roseberry and Roy Curfman for councilmen, it is expected that a light vote will be cast. However, the friends of the public schools are working to se that a good vote is out so as to carry the regular levy and the special levy for the purpose of building a new colored school building, which is much needed.

The school levy of 60 cents and of 25 cents for building purposes will only increase the taxes 5 cents as the school board is to reduce the levy for sinking and interest on Washington school bond issue 20 cents, as there are only $10,000 in bonds left to be paid and they run until 1928. For the building levy to carry, it is necessary to have a two thirds majority while for the regular levy, only a majority.

The contest between Bert Cooper and J. W. Pierce for county superintendent of schools will bring out many voters It is expected that Mr. Cooper will get a good vote here, and will win.

FILES SUIT FOR DIVORCE.

Harlan Wells, Married Two Months, Asks Freedom.

Married only two months, Harlan D. Wells, assistant cashier of the Bank of Pickering, filed suit for divorce today in the circuit clerk's office against Jennie Mariam Wells. The petition states they were married in St. Joseph on February 3, 1919, and separated on March 11, 1919. The grounds for divorce according to the petition is that the defendant refused to move to Pickering and during the month March abandoned the plaintiff, and informed the plaintiff that she no longer cared for him. Shinabargar, Blagg & Ellison are the attorneys for the plaintiff.

IMPORTANT ELECTION TOMORROW

The school election to be held tomorrow demands the attention of all ...essive citizens. In order that the ... run the usual time it is ... authorize a special tax levy o... ...ts for general school purposes and it is proposed to authorize a levy of 25 cents to provide for a building fund for the construction of a colored school building. These two measures should pass unanimously but they won't. There is always a certain opposition to the levying of taxes for any purpose and, unless those who favor these propositions go and vote, they are liable to be defeated.

The absence of other contests removes the usual interest in this election but it should not be neglected. Maryville has been justly proud of her public schools and we would not want to suffer the humiliation of having to go back to a four months limit. The bonded debt is being rapidly reduced and in a few years should be paid off entirely. The best thing that can be done for the colored children or any others is to educate them and give them all the facilities necessary to a reasonable education. It is inconceivable that men will vote to deny liberal school opportunities to either white or colored children for the few cents it will save in a year's taxes. But, for whatever reason it may be, there will be votes cast against both propositions, as there is always against a tax levy, and the only way to carry the election is for those who favor schools to go out and vote in the affirmative. It requires a two-thirds vote and, unless there is a good vote polled, a few negative votes may defeat both propositions.

TRACK WORK BEGINS

HIGH SCHOOL STARTS ACTIVE WORK FOR BIG MEET

PROSPECTS SEEM GOOD

Coach Zeigler Is Optimistic Over First Workout—Material for a Good Relay Team.

Active outdoor training for the tenth annual track and field meet of the Northwest Missouri High School association to be held here May 10, started at the Maryville High School Saturday with a full workout on the Normal field.

Several men showed unusual ability in the initial workout, and Coach Zeigler is optimistic over the prospects for a cup or two in the big contest.

Donald Davenport, dashes, and Bennett French, dashes and jumps, are the leading aspirants for track honors at this time. Davenport's specialty is the 440-yard dash, and with the experience gained last year he should show his heels to the field in this year's meet.

French shared honors in the dashes with Davenport and also took first place in the jumps. Donald Williams also showed good form in the dashes, and Creston Maul indicated that he had the markings o... a star quarter miler. Williams, Claude Pierpont, Eugene DeArmond and Martin Penisten are other high and broad jumpers of promise.

Pole vaulters are scarce, Simeon Wright and DeArmond being the leading candidates in this event. Distance men also are not plentiful, though Bob Nicholas and Penisten are performing well. The hurdles will be run by Paul Miller, DeArmond and Pierpont, and Floyd Foreman, Charles Bellows and McPherron will handle the weights.

An exceptionally good relay team is expected to be developed from Davenport, French, Allan, Smith, Maul, Penisten, Pierpont, DeArmond and Williams. Allan, a good dash man, sprained an ankle while high jumping and may be unable to get in shape by the time of the meet.

ATTENDS M. W. A. HEAD CAMP

R. A. Walker of Skidmore, Represents Northwest Missouri District at National Meet in Chicago.

R. A. Walker of Skidmore returned this morning from Chicago where he attended the National Modern Woodmen camp, which met in session there last week, beginning Tuesday morning. Mr. Walker was a district delegate, representing the seven counties in northwest Missouri.

The two important affairs at the convention were the increasing of the rates and the revision of the by-laws regarding claims of deceased soldiers. The vote for higher dues was carried by 384 in favor of the proposition out of 450 votes cast. The change in by-laws effective July 1, eliminates a patriotic fund and merges that fund into the general benefit fund and rules that all death claims of soldiers either in this or future wars, be paid without question out of the general fund instead out of the patriotic fund which was created for that purpose. The delegates attending were splendidly entertained and the gathering was one of the best in the history of the lodge.

"The telegraph rates for domestic United States government telegrams are increased 20 per cent over the present government rate."

Mr. Burleson's order was issued by the department without comment, other than the explanation that the increase would not affect press rates and charges on wires leased by newspapers and press associations.

A SHOWDOWN BY END OF WEEK

PRESIDENT WILSON DEMANDS IMMEDIATE ACTION IN THE PEACE CONFERENCE

THE U. S. MAY WITHDRAW

Unless Agreement Is Reached Soon—Amended League of Nations Covenants Be Submitted This Week—Open Negotiations with Lenine.

Paris, March 31.—A "showdown" by the "Big Four" representatives of the United States, Great Britain, France and Italy, before the end of the present week is regarded as imperative today. President Wilson, Premier Lloyd George, and Ministers Clemenceau and Orlando are not satisfied with the results of the first week's session. It is known that the President feels he cannot accept responsibility for all the proposals from the British, French and Italians, and as a result is about determined to demand that the Peace Conference put all its members on record on certain proposed measures. The President would then be in a position to state the cause of the United States by a clear statement of facts.

The redrafted league of nations covenant is expected to be submitted to a plenary session of the conference within a week. Amendments have been adopted which it is believed will go far in removing opposition in the United States. However, up to the present there has been no agreement upon the amendment protecting the Monroe Doctrine. There is known to be some opposition to it.

Paris, March 31.—President Wilson's insistance for immediate action in the Peace Conference is being pressed to the utmost. There are already indications of its effectiveness. One of the American delegates today said it is undoubtedly feared that unnecessary obstructions and delays may result in the withdrawal of the United States from the conference.

Paris, March 31.—President Wilson, is it understood this afternoon, has told the premiers of England, France and Italy that the United States is ready to make her position public and will do so unless the other powers reach an agreement. The attitude of the President is that America is contending for a peace which will make the world safe for democracy, at the same time pointing out that delays have increased the unrest in certain parts of the world.

London, March 31.—There are foundations for rumors that the Entente is opening fresh negotiations with Nicholai Lenine, Bolshevik premier of Russia, said a press dispatch to the Daily News today. Bets are being made in Berlin that Germany makes an agreement with Lenine before the Peace Conference does, said a press dispatch from Berlin today.

A marriage license was issued in Kansas City Saturday to Henry Hawk of Maryville, and Cora E. Walrod of St. Joseph.

Have you set your clock forward yet? The daylight saving law is still in effect.

The war department is perfecting plans for the reorganization of the American army on the basis of 500,000 men. The war department asked for a standing army of 500,000 men in the Congress just closed but the army bill which failed of passage in the Senate proposed to put the standing army back to 175,000 men. A call has been issued for 50,000 volunteers to take the place of men now abroad.

TheMoberly Democrat asks, "why so much fuss about a league of nations?" The editor says he fix up a constitution in one sentence that will cover the whole ground and answer every purpose of the complicated document under consideration. He suggests the following: "We, the high contracting parties, hereby agree not to go to war unless we have to." He says, "have all the nations sign it and you will have just as effective a league as will ever be approved and observed."

If a woman is nervous or has dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Druggists sell it in liquid or tablets. Send 10 cents to the Invalids' Hotel, Buffalo, N. Y., for trial package. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground.

St. Louis, Mo.—"Dr. Pierce's medicines that I have had occasion to use have proved most beneficial. I have taken the 'Favorite Prescription' for general weakness and when run-down and suffering with nervousness, and can truthfully say it has done me more good than any medicine I have ever taken.

"The 'Pleasant Pellets' are very good to regulate the system and all very much in keeping a person in a good healthy state. I am always glad to speak a good word for Dr. Pierce's medicines."—*Mrs. Amelia Thorn, 4204 John Ave.*

You Can't Rub It Away; Rheumatism is in the Blood

Liniments Will Never Cure.

If you are afflicted with Rheumatism, why waste time with liniments, lotions and other local applications that never did cure Rheumatism, and never will?

Do not try to rub the pain away, for you will never succeed. Try the sensible plan of finding the cause of the pain, and go after that. Remove the cause, and there can be no pain.

You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has never had an equal as a blood purifier and scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system.

Get a bottle of S. S. S. at your drug store and get on the right treatment today. If you want special medical advice, you can obtain it free by addressing Medical Director, 23 Swift Laboratory, Atlanta, Ga.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

"A few bottles of Tanlac have done me more good than other medicines and treatments that cost me a small fortune,' said C. C. Wisher, a prosperous farmer living at Irving, Route 1, a few miles from Dallas, Tex.

"For fifteen years," he continued, "I suffered so terribly from stomach trouble that I thought I could never get well. Everything I would eat went back on me and I would belch up my food so sour that it would nearly strangle me, the gas on my stomach would press on my heart so as to cause it to flutter and I would have the hardest time getting my breath. I was really in such awful condition that I felt like I had about got to the end of my row.

"But I feel now like I am good for many years yet, for Tanlac has fixed me up so I can't eat any and everything without any bad after effects and since gas has stopped forming in my stomach I am not troubled with palpitations or shortness of breath. I have gained six pounds already and am working hard on my farm every day now and am glad to recommend Tanlac for the wonderful way it has helped me."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

A New County Court House.

The suggestion of Editor John Rush of the Barnard Bulletin at a meeting in Maryville regarding a suitable monument for the soldiers of Nodaway county, who made the supreme sacrafice in the war with Germany, we believe is going to meet with almost unanimous approval. We are of the opinion that Nodaway county needs or will soon need a new court house and there is quite a sentiment in the county that a monument of some kind be erected to the memory of the boys, therefore we believe with the Hopkins Journal, that most everybody in the county would approve of the suggestion.

All that's in favor, say I.—Guilford Times.

Huge Peach Crop in Sight.

Clinton, Mass., Mar. 31.—Managers of the great peach orchards in this section are predicting one of the largest peach crops in history. A year ago temperatures running down to 20 and more below killed the fruit buds so that in these orchards scarcely a peach was picked. The past winter the mercury did not get lower than 4 below zero on any occasion and examination of the fruit buds show they are uninjured. A yield of 30,000 baskets in the immediate vicinity would not surprise the orchardists.

BE SURE TO VOTE

A MAYOR AND TWO COUN.. TO BE ELECTED TOMORROW

SCHOOL LEVY IMPORTANT

Two Thirds Majority Is Required for the Colored School Building—Interest in Superintendent Race.

The Polling Places.

First Ward—City Hall.
Second Ward—Sewell's Garage.
Third Ward—Gray's Pavillion.
Fourth Ward—Sheomaker's Office.

Tomorrow is election day in Maryville when the voters will vote on candidates for mayor and two councilmen, two members of school board, the regular school levy of 60 cents and a building levy of 25 cents, and for county superintendent of schools.

The polls will open at 6 o'clock and will close at sunset which is about 7:30 o'clock.

As there is no opposition to W. O. Garrett for mayor and G. B. Roseberry and Roy Curfman for councilmen, it is expected that a light vote will be cast. However, the friends of the public schools are working to se that a good vote is out so as to carry the regular levy and the special levy for the purpose of building a new colored school building, which is much needed.

The school levy of 60 cents and of 25 cents for building purposes will only increase the taxes 5 cents as the school board is to reduce the levy for sinking and interest on Washington school bond issue 20 cents, as there are only $10,000 in bonds left to be paid and they run until 1928. For th building levy to carry, it is necessary to have a two-thirds majority while for the regular levy, only a majority.

The contest between Bert Cooper and J. W. Pierce for county superintendent of schools will bring out many voters It is expected that Mr. Cooper will get a good vote here, and will win.

FILES SUIT FOR DIVORCE.

Harlan Wells, Married Two Months, Asks Freedom.

Married only two months, Harlan D. Wells, assistant cashier of the Bank of Pickering, filed suit for divorce today in the circuit clerk's office against Jennie Mariam Wells. The petition states they were married in St. Joseph on February 3, 1919, and separated on March 11, 1919. The grounds for divorce according to the petition is that the defendant refused to move to Pickering and during the month March abandoned the plaintiff, and informed the plaintiff that she no longer cared for him. Shinabargar, Blagg & Ellison are the attorneys for the plaintiff.

IMPORTANT ELECTION TOMORROW

The school election to be held tomorrow demands the attention of all ..ressive citizens. In order that the ... run the usual time it is h.. authorize a special tax levy o.. ..ts for general school purposes and it is proposed to authorize a levy of 25 cents to provide for a building fund for the construction of a colored school building. These two measures should pass unanimously but they won't. There is always a certain opposition to the levying of taxes for any purpose and, unless those who favor these propositions go and vote, they are liable to be defeated.

The absence of other contests removes the usual interest in this election but it should not be neglected. Maryville has been justly proud of her public schools and we would not want to suffer the humiliation of having to go back to a four months limit. The bonded debt is being rapidly reduced and in a few years should be paid off entirely. The best thing that can be done for the colored children or any others is to educate them and give them all the facilities necessary to a reasonable education. It is inconceivable that men will vote to deny liberal school opportunities to either white or colored children for the few cents it will save in a year's taxes. But, for whatever reason it may be, there will be votes cast against both propositions, as there is always against a tax levy, and the only way to carry the election is for those who favor schools to go out and vote in the affirmative. It requires a two-thirds vote and, unless there is a good vote polled, a few negative votes may defeat both propositions.

TRACK WORK BEGINS

HIGH SCHOOL STARTS ACTIVE WORK FOR BIG MEET

PROSPECTS SEEM GOOD

Coach Zeigler Is Optimistic Over First Workout—Material for a Good Relay Team.

Active outdoor training for the tenth annual track and field meet of the Northwest Missouri High School association to be held here May 10, started at the Maryville High School Saturday with a full workout on the Normal field.

Several men showed unusual ability in the initial workout, and Coach Zeigler is optimistic over the prospects for a cup or two in the big contest.

Donald Davenport, dashes, and Bennett French, dashes and jumps, are the leading aspirants for track honors at this time. Davenport's specialty is the 440-yard dash, and with the experience gained last year he should show his heels to the field in this year's meet.

French shared honors in the dashes with Davenport and also took first place in the jumps. Donald Williams also showed good form in the dashes, and Creston Maul indicated that he had the markings o. a star quarter miler. Williams, Claude Pierpont, Eugene DeArmond and Martin Penisten are other high and broad jumpers of promise.

Pole vaulters are scarce, Simeon Wright and DeArmond being the leading candidates in this event. Distance men also are not plentiful, though Bob Nicholas and Penisten are performing well. The hurdles will be run by Paul Miller, DeArmond and Pierpont, and Floyd Foreman, Charles Bellows and McPherron will handle the weights.

An exceptionally good relay team is expected to be developed from Davenport, French, Allan, Smith, Maul, Penisten, Pierpont, DeArmond and Williams. Allan, a good dash man, sprained an ankle while high jumping and may be unable to get in shape by the time of the meet.

ATTENDS M. W. A. HEAD CAMP

R. A. Walker of Skidmore, Represents Northwest Missouri District at National Meet in Chicago.

R. A. Walker of Skidmore returned this morning from Chicago where he attended the National Modern Woodmen camp, which met in session there last week, beginning Tuesday morning. Mr. Walker was a district delegate, representing the seven counties in northwest Missouri.

The two important affairs at the convention were the increasing of the rates and the revision of the by-laws regarding claims of deceased soldiers. The vote for higher dues was carried by 384 in favor of the proposition out of 450 votes cast. The change in by-laws effective July 1, eliminates a patriotic fund and merges that fund into the general benefit fund and rules that all death claims of soldiers either in this or future wars, be paid without question out of the general fund instead out of the patriotic fund which was created for that purpose. The delegates attending were splendidly entertained and the gathering was one of the best in the history of the lodge.

"Commercial and government leased wires shall be charged for at an advance of 20 per cent over existing leased wire rates whether such wires be furnished by a telegraph or a telephone system under government control.

"The telegraph rates for domestic United States government telegrams are increased 20 per cent over the present government rate."

Mr. Burleson's order was issued by the department without comment, other than the explanation that the increase would not affect press rates and charges on wires leased by newspapers and press associations.

In creased wages for employees of all departments of telegraph systems under federal control, except employees at "non-functional" offices and messengers, became effective last Dec. 1. Employes in service more than a year and a half received an increase of 10 per cent and those employees less than a year and a half, 5 per cent.

Under the new rates the war tax on messages with tolls of fifty cents and ver will be increased to ten cents.

A SHOWDOWN BY END OF WEEK

PRESIDENT WILSON DEMANDS IMMEDIATE ACTION IN THE PEACE CONFERENCE

THE U. S. MAY WITHDRAW

Unless Agreement Is Reached Soon—Amended League of Nations Covenants Be Submitted This Week—Open Negotiations with Lenine.

Paris, March 31.—A "showdown" by the "Big Four" representatives of the United States, Great Britain, France and Italy, before the end of the present week is regarded as imperative today. President Wilson, Premier Lloyd George, and Ministers Clemenceau and Orlando are not satisfied with the results of the first week's session. It is known that the President feels he cannot accept responsibility for all the proposals from the British, French and Italians, and as a result is about determined to demand that the Peace Conference put all its members on record on certain proposed measures. The President would then be in a position to state the cause of the United States by a clear statement of facts.

The redrafted league of nations covenant is expected to be submitted to a plenary session of the conference with in a week. Amendments have been adopted which it is believed will go far in removing opposition in the United States. However, up to the present there has been no agreement upon the amendment protecting the Monroe Doctrine. There is known to be some opposition to it.

Paris, March 31.—President Wilson's insistance for immediate action in the Peace Conference is being pressed to the utmost. There are already indications of its effectiveness. One of the American delegates today said it is undoubtedly feared that unnecessary obstructions and delays may result in the withdrawal of the United States from the conference.

Paris, March 31.—President Wilson, is it understood this afternoon, has told the premiers of England, France and Italy that the United States is ready to make her position public and will do so unless the other powers reach an agreement. The attitude of the President is that America is contending for a peace which will make the world safe for democracy, at the same time pointing out that delays have increased the unrest in certain parts of the world.

London, March 31.—There are foundations for rumors that the Entente is opening fresh negotiations with Nicholai Lenine, Bolshevik premier of Russia, said a press dispatch to the Daily News today. Bets are being made in Berlin that Germany makes an agreement with Lenine before the Peace Conference does, said a press dispatch from Berlin today.

A marriage license was issued in Kansas City Saturday to Henry Hawk of Maryville, and Cora E. Walrod of St. Joseph.

Have you set your clock forward yet? The daylight saving law is still in effect.

The war department is perfecting plans for the reorganization of the American army on the basis of 500,000 men. The war department asked for a standing army of 500,000 men in the Congress just closed but the army bill which failed of passage in the Senate proposed to put the standing army back to 175,000 men. A call has been issued for 50,000 volunteers to take the place of men now abroad.

TheMoberly Democrat asks, "why so much fuss about a league of nations?" The editor says he fix up a constitution in one sentence that will cover the whole ground and answer every purpose of the complicated document under consideration. He suggests the following: "We, the high contracting parties, hereby agree not to go to war unless we have to." He says, "have all the nations sign it and you will have just as effective a league as will ever be approved and observed."

If a woman is nervous or has dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Druggists sell it in liquid or tablets. Send 10 cents to the Invalids' Hotel, Buffalo, N. Y., for trial package. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground.

St. Louis, Mo.—"Dr. Pierce's medicines that I have had occasion to use have proved most beneficial. I have taken the 'Favorite Prescription' for general weakness and when run-down and suffering with nervousness, and can truthfully say it has done me more good than any medicine I have ever taken.

"The 'Pleasant Pellets' are very good to regulate the system and aid very much in keeping a person in a good healthy state. I am always glad to speak a good word for Dr. Pierce's medicines."—*Mrs. Amelia Thein, 4206 John Ave.*

You Can't Rub It Away; Rheumatism is in the Blood

Liniments Will Never Cure.

If you are afflicted with Rheumatism, why waste time with liniments, lotions and other local applications that never did cure Rheumatism, and never will?

Do not try to rub the pain away, for you will never succeed. Try the sensible plan of finding the cause of the pain, and go after that. Remove the cause, and there can be no pain.

You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has never had an equal as a blood purifier and scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system.

Get a bottle of S. S. S. at your drug store and get on the right treatment today. If you want special medical advice, you can obtain it free by addressing Medical Director, 23 Swift Laboratory, Atlanta, Ga.

TROUBLES COST HIM A FORTUNE

Texas Farmer Suffered For Fifteen Years—Is Relieved By Tanlac.

"A few bottles of Tanlac have done me more good than other medicines and treatments that cost me a small fortune,' said C. C. Wisher, a prosperous farmer living at Irving, Route 1, a few miles from Dallas, Tex.

"For fifteen years," he continued, "I suffered so terribly from stomach trouble that I thought I could never get well. Everything I would eat went back on me and I would belch up my food so sour that it would nearly strangle me, the gas on my stomach would press on my heart so as to cause it to flutter and I would have the hardest time getting my breath. I was really in such awful condition that I felt like I had about got to the end of my row.

"But I feel now like I am good for many years yet, for Tanlac has fixed me up so I can't eat any and everything without any bad after effects and since gas has stopped forming in my stomach I am not troubled with palpitations or shortness of breath. I have gained six pounds already and am working hard on my farm every day now and am glad to recommend Tanlac for the wonderful way it has helped me."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

A New County Court House.

The suggestion of Editor John Rush of the Barnard Bulletin at a meeting in Maryville regarding a suitable monument for the soldiers of Nodaway county, who made the supreme sacrafice in the war with Germany, we believe is going to meet with almost unanimous approval. We are of the opinion that Nodaway county needs or will soon need a new court house and there is quite a sentiment in the county that a monument of some kind be erected to the memory of the boys, therefore we believe with the Hopkins Journal, that most everybody in the county would approve of the suggestion.

All that's in favor, say I.—Guilford Times.

Huge Peach Crop in Sight.

Clinton, Mass., Mar. 31.—Managers of the great peach orchards in this section are predicting one of the largest peach crops in history. A year ago temperatures running down to 20 and more below killed the fruit buds so that in these orchards scarcely a peach was picked. The past winter the mercury did not get lower than 4 below zero on any occasion and examination of the fruit buds show they are uninjured. A yield of 30,000 baskets in the immediate vicinity would not surprise the orchardists.
